

TEXAS HEALTH AND HUMAN SERVICES COMMISSION

Don A. Gilbert, M.B.A.
COMMISSIONER

TO: All Interested Parties

FROM: Jason Cooke
Associate Commissioner for Children's Health

DATE: August 23, 1999

SUBJECT: Revised Children's Health Insurance Program (CHIP) administrative services
procurement schedule

As you know, under the terms of the administrative services RFP, answers to written questions were to be available August 19, 1999. Those answers are being posted to the HHSC website today.

Consequently, the dates for letters of intent and for submission of proposals are being revised by four days. Following are the changes:

Letters of intent August 31, 1999

Submission of proposals September 7, 1999

The remainder of the dates remain unchanged. While some dates have been changed, all other specifications for submittal of materials as outlined in the RFP continue to apply.
